03 ASR-1 generally carried in the B series of rocket pods with 7–20 rockets.

SPECIFICATIONS

01 Aircraft	Helicopter (MI-17,24,28,35)
02 Fighter	SUKHOI (SU-25, 25,27,30) & MIG SERIES (Mig 29,35) carried in B series of rocket pods with 20 rounds in one launcher
03 Caliber	80 mm
04 Whole length	1557 mm
05 Weight of warhead	5.13 Kg
06 Weight of charge	2.0Kg composite B
07 Total Weight	12.3 kg
08 Working temperature	-50°C ~ +80°C
09 Maximum Range	6 km
10 Killing radius	19 m

PACKING AND STORAGE CONDITIONS

- 01 Dimension L×W×H
30X30X160 cm Wooden Box
- 02 Net Weight of Product Packing
62 kg (approx.) 4 pieces per box
- 03 Storage Temp
-50°C ~ + 80°C
- 04 Shelf Life
20 years
